History A.A.-T Transfer Degree

History provides students with the basic information necessary for analyzing the major political, diplomatic, economic, and social conditions affecting today's society. The historical process develops analytical skills and fosters an understanding of the world through a study of the past, both remote and recent. Cabrillo's history department offers a core curriculum in U. S. History, World History and Western Civilization, as well as offering a wide range of courses in other field . The program emphasizes multicultural approaches; ethnic diversity and gender dynamics are part of all our courses. In addition, Chicano History, the History of Women in American and a range of Asian histories are very successful. The department also occasionally offers local and regional history courses. The chronological, geographical, and topical range of offerings in the History department affords great flexibility for students working toward degrees in history and those who wish to give a historical dimension to their studies in other disciplines. A history major usually transfers to a four-year institution to complete a Bachelor's Degree. History is excellent preparation if one is considering careers in teaching, law, business, communications, journalism, librarianship, archival and research work, public administration, and a wide variety of public service and government careers. Professional schools in these and related fields are looking for students who can weigh conflicting evidence, evaluate alternative courses of action or divergent points of view, and express conclusions logically and clearly.

Cabrillo offers options for degrees in History. The first option listed below is the Associate in Arts in History for Transfer (A.A.-T), which is intended for students who plan to complete a bachelor's degree in a similar major at a CSU campus. Students completing these degrees are guaranteed admission to the CSU system, but not to a particular campus or major. This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system.

See Associate Degree for Transfer information in the Cabrillo College Catalog. The following is required for all A.A.-T or A.S.-T degrees:

- Completion of 60 CSU-transferable semester units.
- Minimum grade-point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA.

- Completion of a minimum of 18 semester units in the major with a letter grade of "C" or better, or a "P" if the course is taken on a "Pass/No Pass" basis.
- Certified completion of the California State University General Education- Breadth pattern (CSU GE Breadth) or the Intersegmental General Education Transfer Curriculum (IGETC) pattern.
